# WE ARE THE GROUND UP

We started **The Ground Up** in 2010 with the sole purpose of supplying the industry with the finest quality mulches and soils. As time evolved, so did the TGU concept.

Today we are the largest manufacturer of top quality mulches, soils and compost in Houston, TX. Our manufacturing philosophy is to produce the greatest performing product at a market competitive price. We bag all of our products in Super Sacks and in our state of the art packaging facility we package **The Ground Up** and **The Seasons** product lines. Additionally, we operate wholesale nurseries and stone & pavers facilities.

## OUR MISSION

### WE MULCH

**M**anufacture and supply contractors, IGCs, Municipalities & Homeowners with AWESOME Landscape products.

**U**se green vegetative waste to compost and create our Mulches & Soils. We keep thousands of tons of green waste out of landfills.

**L**ink professionals with the green industry and their fields of expertise.

**C**ater to plant enthusiast, co-ops, small scale farming, DIY's and many more segments.

**H**arvest success by under promising and over delivering!

# SIZES AVAILABLE

## BULK

TGU carries a large inventory of bulk products. Our bulk is sold by weight or volume and also available for purchase in Super Sacks.

## BAGGED

We bag our soils and mulches under The Ground Up & The Seasons product lines. Our product lines include: mulches, soils and compost.

## SUPER SACK

TGU Super Sacks hold 1 cubic yard of material. They're hassle-free, convenient and reusable. Delivery fees are based on distance. We Super Sack all our products.
